during the year 1939-40, I have the honour to state that in accordance with instructions of Government contained in Official Memorandum No I 6741-71/M 1 131-39-3 dated 1st February 1940 that the toll gate collections in the several Municipalities in the State should be managed Amani instead of farming out the same, the establishment was continued during the year 1940-41 after providing for expenditure in the Budget estimates of the Municipality for that year The Municipal Council have resolved at their meeting held on 22nd April 1941 that the establishment may be continued during the year 1941-42 also and have made necessary provision therefor in their draft budget estimates which have been submitted to Government for sanction
